INTRODUCTION

This statistical report compares financial and service data provided by public library system directors at the close of fiscal year 1989. The annual report form used to gather the information complies with Arkansas Act 489 of 1979 and with Standards for Library Functions at the State Level. The format of the report is designed to conform closely with the national Library General Information Survey (LIBGIS) forms.

The report is arranged in four sections: Directory of Public Library System Headquarters, Financial Statistics, Service Statistics, and Appendices which include Definitions, Library Administrators-Classification and Salaries, and Total Distribution of State Aid FY 1989. The library systems are listed by population, from largest to smallest. The status of Arkansas public library development at the end of FY 1988 is shown in the following table.

NUMBER OF LIBRARY SYSTEMS		NUMBER OF COUNTIES
15	Single County Units (one has two districts)	15
6	Two-County Units	12
3	Three-County Units	9
3	Four-County Units	12
1	Five-County Unit.	5
1	Six-County Unit	6
2	Seven-County Units	14
31	Headquarters	72 Counties
3	Counties have not passed the mill tax; rural population unserved.	3 Counties
	Total:	75 Counties

There are fourteen city libraries supported with millage funds approved under Amendment 30 to the Arkansas Constitution. They include: Blytheville, Camden, Crossett, El Dorado, Fort Smith, Jonesboro, Little Rock, North Little Rock, Pine Bluff, Rogers, Texarkana, Trumann, Van Buren, and West Memphis. All except Fort Smith, North Little Rock, and West Memphis are part of larger systems.

Three additional libraries located in Bentonville, Forrest City, and Siloam Springs operate without a library tax and do not qualify for the State Aid to Public Libraries program.

Public libraries are established by county or city ordinance and cooperative units are created by interlocal agreements. The State is divided geographically into five Library Development Districts for the purpose of interlibrary cooperation. Eighty percent of the population of the State reside within public library service areas of 50,000 or more, as defined in A Long Range Program for the Development of Library Service in Arkansas and endorsed by the State Library Board in Standards for the Distribution of State Aid. The remaining twenty percent of the population is served through smaller service areas with professional support from the Extension Services Section of the Arkansas State Library. Gratitude is extended to the public librarians who provided the statistics so that this report could be prepared.

APPENDICES

DEFINITIONS

Area Served defines the geographic service area of the library system. (Ex: Names of counties, cities, or parts of cities served)

Assessed Valuation is the assessed taxable value of the property in the service area. This amount should equal approximately 20% of the appraised market value of taxable property and is the basis for the 1 Mill Tax calculations for public library operation. Each county tax assessor can furnish this information.

Audio-Visual Materials and Equipment includes 16mm and 8mm films, filmstrips, projectors, cassettes, record players, cassette recorders, discs (records), video-cassettes, recorders, etc.

Balance Carried Forward should include all monies in all accounts administered by the Library Board. (Do not include LSCA)

Bookmobile is a mobile unit that serves as an auxiliary library with a permanent staff and a regular schedule.

Bookmobile Stops may be direct service stops or book delivery stops. Count as the same.

Branches are permanent library service outlets which are open regular hours and are operated by paid personnel.

County Seat Library is the library located in the city which has been designated as the center for county government.

Deposit Stations are locations where books are made available for circulation in a store, a home, community building, etc.

F.T.E. is a full time equivalency. A full time position is one that requires the employee to work at least 35 hours per week or the work week established for a full-time library employee, whichever is greater. Full-time equivalency of part-time positions should be determined by adding all the hours worked per week in all part-time positions within the desired category and dividing by 35 or the number of hours established as a full-time work week by the library, whichever is greater.

Headquarters Library is the Regional Headquarters of a multi-county library system. In the case of a single county system, the headquarters library and the county seat library should be the same. In the case of City Libraries the headquarters would be the same as the city unless the library is part of a larger system.

Hours of Operation are those hours the headquarters library is open each day of operation. Include hours that staff are working even if the library is not open to the public.

LSCA - Library Service and Construction Act is the authority by which federal funds for public libraries are appropriated to the U.S. Department of Education and administered by the state library administrative agency.

Materials Turnover Rate is the result of dividing the total circulation by the total items owned.

Microforms are library materials reproduced onto film and reduced in size. (i.e. microfiche, microfilm.) The Arkansas Union Catalog AUC should be counted as one. Periodical subscriptions on microform should be counted as one per year. Census records, newspapers, etc. on microfilm should be counted per reel.

Monograph - In cataloging, a nonserial bibliographic item, i.e. an item either complete in one part, or complete, or intended to be completed, in a finite number of separate parts.

Other Accounts refers to Certificates of Deposit, Trust, Capital Improvement Funds, Gifts & Memorials, or all other sources of income other than the one-mill tax and State Aid.

Other Public Service Outlets are temporary locations where public library books or materials are made available. (Ex: County Jail)

Public Library is a public instutution which offers free library service to all residents of a city, county or region, which receives basic financial support from public tax funds, and which is not an integral part of any other educational institution.

Public Library Service includes the performance of all activities in a public library relating to the acquisition and organization of library materials and to the utilization of the materials to answer the knowledge and information needs of the citizens of the service area.

State Library Administrative Agency is the official agency of the State charged by law of the State with the extension and development of library services and with the administration of state and federal aid to improve library services.

Tax Funds are the monies received from millage and state aid.
